Payment details:

The initial month's lesson costs are charged to your account at the time of registration. Any additional charges are to be paid in full prior to their occurrence unless you have chosen to join our Direct Debit Program. Direct debit will be processed on the 1st of each month for that month's charges, unless it is on a weekend or holiday at which time it will be on the prior business day. If choosing to pay for the session by deposit, your account credit will be deducted each month until you utilize all credit. Your credit card will remain on file for any further charges or until another deposit is processed.

Withdrawal details:

If you would like to withdraw from your regularly scheduled lesson spots, A **14 day** withdrawal form submission is required to permanently remove your child from their lesson. If your account is not settled before your child's last lesson you will incur a \$25 cancellation fee per lesson spot. Please confirm all cancellations and schedule changes with our office and not the instructors. All forms are available in our office or online at www.7cswimschool.com.

Authorization:

I have read and accept the general and financial policies as stated here. I understand that in signing this authorization form, I am entering into an agreement with 7C's Swim School, Inc.
