Rules

Swimmers must take a swim test in order to pass the roped off area. This will be conducted by the lifeguard on duty. (Swim test: swimmers must be able to swim across the pool and float for 10 sec.)

All posted pool rules must be followed at all times. i.e. No glass, running, or diving etc..

Your time is limited to what you reserve. You are allotted a 15 minute grace period for your party to exit the building. After that time, you will be billed on quarterly hour increments.
